## Paddler Registration Form

(this form must be completed before you can go on the water)

Canoeing can be a dangerous sport and whilst the Club takes steps to minimise these dangers, we cannot be held responsible for accidents that may happen. The safety measures which the Club has taken since its formation in 1979 have been effective and there have been no serious incidents in that period. However, to help Club members who may be in a position to assist after an accident, it is felt that basic information about paddlers should be available, so it is requested that the following questionnaire be completed.

The information will be kept confidential and will only be available to the adults in charge.

Please note it is your responsibility to let the Club know if there are any changes to these details.
